# DEATH TRAP

민송아  
MIN SONG A

The first incident  
happened in March  
of this year.

Year 1875, Ireland Galway

Only hens  
were killed, so  
initially we thought  
it was done by  
an animal.

However,  
the next day,  
all fishes in a  
nearby pond was  
floating  
dead.

And then 3  
days after,  
March 27th -

Den died; he was  
a senior in class 7.

20th... that's  
a month ago  
already.

Yes, Den was  
an orphan, so we  
have yet to give  
him a funeral.  
His body is still  
here.

But the day he  
died ...  
He was found  
dead hanging upside  
down under a  
tree in backyard.

3 days later,  
April the first.

Jessie,  
who was  
the same year  
student as me,  
was found dead,  
bitten by a  
wild dog, it  
looked like.

His cause of  
death was said  
to be due to  
blood loss by  
numerous  
wounds.

After her death,  
the office manager  
begins the investigation  
by

For nothing has  
been noticed and  
a month passes  
without having heard  
of the murder. Temporarily,  
the majority of students  
at the university

Mean-  
while

Witnesses who  
remain at school  
are spreading  
their experiences

They claim  
they heard  
a woman's  
moaning when  
Dan was  
found dead.

And right  
prior Jessie's  
death, in front  
of her room  
some claim to  
have seen -

A hooded woman  
with red eyes and red hair.

They are in fear and believe that this is an evil's deed. Therefore -

As the president of the student council, I ask you to perform exorcism!

Um, hello?

Father?  
Your tea....

Oh!! Oh!!  
Oh, yes, of course.  
Hahaha...  
Haha...

Thank you  
for the tea,  
ma'am.

Father!

They fear for  
their safety at  
this catholic  
school !

You've arrived  
here only  
recently. How  
can you turn  
a blind eye?!

... I, Jeremy Gabriel

ghost, spirit,  
evil eye

In order to protect  
my mind and soul,  
I was sent to a  
catholic school  
to become a father.

This place itself  
does not reek of  
bad spirits.

However, due to  
my extraordinary ability,  
I spent most of time  
performing exorcism  
for others...

When I was told that I would be assigned to  
a catholic school,

What are you  
saying here?  
Perform exorcism  
they!

On my  
1st day  
...!

Dear,  
God...

Let's just perform light exercises at the incident spot...

Phew...

But there was nothing, no spirits, no ghosts.

A woman with red eyes and teeth... What that really is, I don't know. I think it's too early to say.

In the end... she pushed me into performing exorcism on all 57 class rooms and few other places...

Time to dress up for the occasion...

Phew...

But there was nothing, no spirits, no ghosts.

A woman with red eyes and teeth... Was that really a ghost? I feel it's too early to say.

I am too tired...

I know...

I know to get changed...

an dicit eis Domine

Ah, did I fall asleep?

**Father !**

I am sorry  
I kept knocking and  
there was no response,  
so...

No one is out?  
This song is  
pretty loud,  
you know.

There are only  
20 left in the  
school right  
now.

In the vicinity which  
is dormitory C,  
there are only Miss  
Amber and myself.

Let us  
hurry.

Why?

Miss  
Amber might  
be in  
danger.

You don't  
want to  
look  
around  
for  
me.

The song we are  
hearing is used for  
funerals.

And the voice  
of the song...

If my memory is  
correct, this voice is ...

Father,

After this comes  
the second room  
is ...

Amber's...

화  
아아

???

It was true !

The gossip was true !  
There really is the  
singing demon !

I ...

I ... !!!

We need  
to stay  
together !

The priority is  
Miss Amber  
right now.

Hello?!

Me'am !

That was...

What is it ...  
at that hour ...

Both of you,  
please come to  
my room.

That was  
a banshee,  
a fairy.

A fairy "I  
with that  
appearance?"

Yes, her eyes are  
like that because  
they are swollen  
from excessive crying.  
They don a hooded  
cloak and sing  
in front of houses  
and jinx death.

The banshee  
herself is  
harmless.

But those that  
banshees jinx are  
likely to die soon.

Whether that death  
is by humans or  
ghosts, Miss Amber's  
life is in danger.

I ask both of you  
to stay here for  
her safety.

I will be back soon. I must inform the police.

I could die soon ?!

Father !

Please wait.  
I must tell you something.

What ?!

Amber !  
Don't you dare !

But he needs to know what is going on so that he can help !

What is  
going on ?

Mia'am !  
It's too  
dangerous  
to go out right  
now !

Father !  
you must listen  
to what I must say.  
Please !

I think  
I know where  
she ran off  
to.

Please  
listen to what  
I have to say  
and you can get  
to her  
anytime.

It all began  
with simple  
curiosity.

Collecting botanical  
specimens, fossils... and  
anything else we came  
up with... returned  
to sell...

Eventually, we  
ended up making  
a lot of money.

For us,  
three, Jessie  
included,  
theory wasn't  
just enough.

We collected  
blood from  
here.

어머님(大地)의  
피를 '내고'—  
Collect father's  
blood.

We released  
poison into  
a nearby pond  
to kill all fishes  
inside.

어머님(水)의  
생명을 앗아라—  
Take your  
mother's life.

Lastly, we hang Den,  
who was being bullied,  
upside down on a  
tree ...

But we did  
not kill him !

In doing so, your life  
will be my reward  
to summon

나의 몸속은 난의  
그것이 될 것이니

It was just for  
fun ! We left him  
there overnight  
and in morning  
we found...

The Summoner's will :  
chapter 18.8

Are you  
implying  
that -

How foolish  
can you possibly  
be ?!

The three of you  
used Den as a sacrifice  
to summon evil ?!

You have  
absolutely no idea  
how bad it can be  
when you actually  
face real evils!

I am sure  
Jessie was  
killed as a  
result of  
this !

They crave on  
human flesh  
and blood !

Stupid  
bitch !

She's going  
to expose  
these ?!

We will be  
expelled from  
the school !

Over there !  
it was used by  
a lumberjack  
to store logs some  
time ago  
We use it now

Don 71

No, the  
body has  
been  
possessed!

Our Father  
who art in Heaven

eternal mighty hand  
cast him out of your  
current Don Briscoe

Let water  
should at least  
it from moving!

So he may no longer hold  
control this person

I will help you !  
Just hang on !

Amber,  
now !

Is it over?

No, but it will be paralyzed for a bit.

It was a good idea to have brought a bucket of holy water.

We need to get her to a hospital!

She's bleeding badly.

Let's go!

Yes

Even... if this way,  
the landscape just will  
be spotted...

Hang on.

Isn't the landscape  
staying in sight?  
They aren't going?

What the ?!

The door ?!

It's locked?!

Amber is  
still inside !

ΣTAKOYOKOYOKOYOKOYOKO

Amber !

Open!!

PA

Open  
please!

April 25,  
Amber Cruz: dead.

April 27,  
Diana Seyfried: dead  
due to massive blood loss.

The school priest  
confirmed that the  
incident was due to  
the students' shady  
practice of dark arts.

Hey, do you still remember?

What ?

Last year, four students  
were killed.

Yes, I remember. It was so  
scary at that time.

Well, we are bored here. Say ...
